STUDENT ASSIGNMENT POLICY

CRITERIA FOR STUDENT ASSIGNMENT TO CLASSES AND PROGRAMS

The principal (or designee) will assign students to classes and programs in a manner that will:

1. Take each student's developmental and academic needs into account.
2. Facilitate the implementation of our Comprehensive School Improvement Plan.
3. Prepare all students to be ready for high school level work, and ultimately be transition ready.
4. Implement each middle school student's Individual Learning Plan (ILP).

PRIVACY RIGHTS

Information about students under the Rights to Privacy Act shall be held in confidence by the administration and staff during the student assignment process.

PARENTAL REQUESTS

Parent/guardian requests should only be submitted if there are unusual academic, social, or emotional circumstances. In these cases, the request must be in writing and returned personally by the parent to the office. *The requests will be considered on a case-by-case basis by the principal and counselor, and decisions will be final.*

POLICY EVALUATION

We will evaluate the effectiveness of this policy through our school improvement planning process.
